Key Themes and Concepts to Explore

A successful *Bud, Not Buddy* literature unit should delve into the core themes that make the story so impactful. Here are some of the most important ones:

Identity and Belonging

At its heart, the novel is about Bud's quest to find his true identity and a place where he belongs. He carries a suitcase filled with "evidence" of his family, a tangible representation of his search. Discuss with students what makes us who we are. Is it our family? Our experiences? Our dreams? How does Bud define himself, and how do others define him? The concept of "found family" is also crucial here, as Bud forms strong bonds with the people he meets on his journey, like Bugs and the members of the band.
