This section typically asks you to define what it means to be a citizen of the United States and then to expand that definition to include being a citizen of the world. Your worksheet will likely have space for you to write your personal definitions. * **How to Approach:** Start by thinking about what citizenship means in your own country. How do our actions impact those beyond our borders? Think about interconnectedness – trade, communication, environmental issues. * **Worksheet Application:** Use the provided lines to write your thoughts. Don't be afraid to be a little philosophical! This is about your understanding.
