Planning Your Las Vegas Adventure: Tips for a Seamless Trip

To make the most of your "what on in Las Vegas" quest, a little planning goes a long way. Here are some tips to ensure your trip is as smooth and enjoyable as possible.

Book in Advance: Especially for Shows and Popular Restaurants

Las Vegas is a popular destination, so booking your flights, accommodation, and any must-see shows or high-demand restaurants in advance is highly recommended, especially during peak seasons or holidays.

Consider a Show Pass or Package

If you plan on seeing multiple shows, look into purchasing a show pass or package. These can often offer significant savings compared to buying individual tickets.

Factor in Transportation Costs

While many hotels are walkable on the Strip, getting between resorts or to off-Strip attractions can involve taxis, ride-sharing services, or the Deuce bus. Factor these costs into your budget.
