

The Scent Of Water Elizabeth Goudge

The Scent of Water: Elizabeth Gouldge and the Emerging Importance of Sensory Marketing **** In today's hyper-competitive marketplace, brands are constantly seeking innovative ways to connect with consumers on a deeper, more emotional level. Beyond aesthetics and functional benefits, the realm of sensory experience is increasingly recognized as a crucial element in brand building and customer loyalty. Elizabeth Gouldge, through her evocative exploration of "the scent of water," highlights the profound impact that olfactory marketing can have on consumer perception and purchasing decisions. This inherent power makes "the scent of water" a compelling area of research.*

Environmental considerations add another dimension. While digital technology has its own footprint, reducing dependence on printed materials lowers paper consumption and distribution demands. Digital access supports a more efficient way of sharing information across borders and communities.
