Understanding what can and cannot be shared helps prevent legal issues and ensures ethical use of digital materials.

In general, only free, open-access, or public domain versions of Our Lady Of Good Success Novena may be shared freely. For copyrighted or paid editions of Our Lady Of Good Success Novena, direct file sharing is usually prohibited. Instead of sending copies, it is best to share official purchase links, publisher pages, or authorized platforms where others can obtain the book legally. Recommending a book through legitimate channels supports content creators and ensures that readers receive accurate and complete versions.

Many eBook platforms provide built-in sharing features that allow limited access, previews, or recommendations without violating copyright. Some services even support temporary lending or family sharing within defined rules. Always review the platform's terms of use before sharing any content related to Our Lady Of Good Success Novena.

Ethical considerations when sharing
