Getting Started: What You'll Need

Before you dive into the Usborne First Skills: Face Painting book, it's important to gather your supplies. The book itself will likely offer recommendations, but here's a general checklist:

Face Painting Supplies Essentials

1. **Face Paints:** This is the most crucial element. Opt for high-quality, cosmetic-grade face paints that are specifically designed for use on skin. Brands like TAG, Paradise, Mehron, and even reputable craft brands that are specifically labelled as "face paint" and "hypoallergenic" are good choices. Avoid craft paints or poster paints, as they can irritate the skin and are not safe for facial application. Look for water-based, FDA-approved paints.
2. **Brushes:** You'll need a variety of brushes. A few flat

brushes (for applying base colours and creating bold strokes) and some round brushes (for details and lines) are essential. Usborne often recommends specific brush sizes, but generally, a 1/2 inch flat brush and a small round brush (like a size 2 or 4) are good starting points.

3. **Sponges:** Cosmetic sponges or makeup sponges are excellent for applying base colours smoothly and evenly. They also help create texture.
4. **Water Container:** You'll need a pot or cup to rinse your brushes and thin your paints if necessary.
5. **Paper Towels or Cloth:** For drying brushes and wiping up any spills.
6. **Mirror:** A mirror is essential for the person being painted to see what's happening and for the artist to get a good view of their work.
7. **Reference Images:** The Usborne book will be your primary reference, but having a few other simple ideas or designs saved on your phone or printed out can be helpful for inspiration.
8. **Optional: Glitter and Glitter Gel:** For that extra touch of sparkle! Ensure it's cosmetic grade glitter.
9. **Optional: Stencils:** While the Usborne book focuses on freehand, stencils can be a great aid for beginners to achieve certain shapes quickly.

Safety First! Essential Face Painting Tips

When working on someone's face, especially a child's, safety and hygiene are paramount. Usborne books usually include

safety tips, but here are some crucial ones to always remember:

1. **Use Hypoallergenic Products:** Always choose face paints that are specifically labelled as hypoallergenic and non-toxic.
2. **Patch Test:** If you're unsure about how someone's skin will react, do a small patch test on their arm or behind their ear at least 24 hours before the main event.
3. **Avoid Sensitive Areas:** Never paint too close to the eyes, inside the mouth, or on any broken or irritated skin.
4. **Cleanliness is Key:** Wash your hands thoroughly before and after painting. Clean your brushes and sponges thoroughly after each use. Don't share brushes between different individuals without thoroughly cleaning them.
5. **Good Ventilation:** Ensure you're in a well-ventilated area, especially if using paints with a strong scent.
6. **Ask About Allergies:** Before you start, always ask if the person you're painting has any known allergies or skin sensitivities.

Making the Most of Your Usborne First Skills: Face Painting Book

Simply owning the book is just the first step. To truly benefit from it, try these tips:

Practice Makes Perfect

Don't expect perfection from the get-go. Encourage yourself or your child to practice on paper or even on your own arm (with washable paints!) before tackling a face. The more you paint, the more comfortable you'll become with the brushes and paints.

Follow the Steps, Then Innovate

Initially, try to follow the book's instructions as closely as possible. This will help you understand the techniques. Once you're confident, you can start to experiment. Can you add more colours? Can you change the size of the elements? Can you combine two simple designs?

Use the Right Tools

As mentioned earlier, investing in good quality, skin-safe face paints and a few decent brushes will make a world of difference. The Usborne book will likely suggest the types of tools needed, so pay attention to those recommendations.

Make it a Fun Activity

The most important aspect is to make it enjoyable. Put on some music, have snacks, and create a relaxed atmosphere. Face painting should be a joyful experience for both the artist and the canvas!

Beyond the Book: Developing Your Face Painting Skills

While Usborne First Skills: Face Painting is an excellent starting point, it's just the beginning of a potentially colourful journey. As you and your child gain confidence, you might want to explore further:
