Hush Little Baby by Sylvia Long

Structural "Hush Little Baby" by Sylvia Long is a narrative poem structured around the traditional lullaby of the same name. Long, however, subverts the comforting, simplistic nature of the original lullaby, transforming it into a complex exploration of trauma, loss, and the cyclical nature of suffering. The poem is not presented as a linear narrative; instead, it utilizes fragmented imagery, juxtaposed scenes, and shifts in perspective to create a multifaceted portrait of a fractured psyche. The overall structure mirrors the fragmented memory and emotional state of the speaker, moving between past and present, reality and dreamlike states. There is a clear cyclical element to the poem, reflecting the speaker's trapped feelings and the generational transmission of pain. The use of anaphora, repeating phrases like "Hush little baby," acts as both a lullaby and a haunting refrain, highlighting the speaker's attempts at self-soothing and the oppressive weight of the past. The lack of clear chronological progression and the fragmented nature of the imagery contribute to a feeling of unease and ambiguity, mirroring the speaker's internal turmoil. The poem's structure intentionally unsettles the reader, forcing them to actively piece together the fragmented

narrative and grapple with the complex emotions it evokes. The absence of a neatly resolved conclusion reinforces the lingering effects of trauma and the enduring nature of its consequences. *** Trauma, lullaby, memory, loss, grief, childhood, mother-daughter relationship, cyclical violence, fragmentation, psychological realism, poetic form, subversion, intergenerational trauma, voice, silence, identity, haunting, repetition.* **"Hush Little Baby" by Sylvia Long is a deeply unsettling and evocative poem that reimagines the familiar lullaby as a vehicle for exploring the complexities of intergenerational trauma. The relationship between the speaker and her mother emerges as a significant focus, hinting at a cycle of abuse and repressed emotions. The poem's ambiguity and unsettling atmosphere reflect the lingering effects of trauma, highlighting the difficulty of escaping the**

past and the lasting impact of violence on identity and selfhood. The poem's powerful evocations leave the reader questioning the nature of healing and the possibility of breaking free from intergenerational patterns of suffering.
