1	What's the best way to watch Naruto Shippuden to avoid filler episodes?	The most popular method is using a 'Naruto Shippuden filler list' which details which episodes can be skipped. 2	How many episodes are in Naruto Shippuden and how long does it take to watch them all?	Naruto Shippuden has a total of 500 episodes. Watching them all back-to-back, without breaks or filler, would take approximately 8-9 days of continuous viewing.
3	Where can I find an official or reliable episode list for Naruto Shippuden?	Official anime databases like MyAnimeList, AniList, or Wikipedia's dedicated Naruto Shippuden episode list page are excellent resources. They usually provide episode numbers, titles, air dates, and often distinguish between canon and filler episodes.
4	What are the major arcs in Naruto Shippuden, and which episodes do they cover?	Key arcs include the Kazekage Rescue Mission (episodes 1-32), the Akatsuki Suppression Mission (episodes 54-71), the Fourth Shinobi World War: Countdown (episodes 290-348), and the Fourth Shinobi World War: Climax (episodes 376-479).
